

CONVEX MIRRORS

PRODUCT INFORMATION

Hooded Convex Safety Mirror

Details: Hooded Convex Safety Mirror 600mm

Antitheft mirrors are fully adjustable and are supplied complete with attachments for pole mounting, and can be supplied with an optional wall bracket so the mirrors can be mounted to walls, fences, wooden structures etc when installing a pole is not a viable option.

They can be used for supermarkets, retail shops, car parks and warehouses where security and safety is a requirement.

Hooded mirrors are fully adjustable and come complete with hardware to connect onto a 50mm post.

Polycarbonate (PC) Convex Mirrors are virtually unbreakable and 200 times stronger than glass. They are not affected by any type of light ray and will not produce toxic fumes if burnt.

Ideal for surveillance, these heavy duty mirrors are suitable for areas prone to vandalism.

Finish:

Orange Polycarbonate
